**EU Declaration of Conformity** 

Jola Spezialschalter GmbH & Co. KG Klostergartenstr. 11 67466 Lambrecht (Germany)

declares as manufacturer under its sole responsibility that the following product, which is new and designed for use in potentially explosive atmospheres:

complies with:

the directive 2014/34/EU (ATEX directive) and the directive 2011/65/EU (RoHS directive)

and the standards: EN 60079-0:2012, EN 60079-11:2012, EN 60079-26:2007

and the design types (according to annex III of directive 94/9/EC or 2014/34/EU) of EC type examination certificate n° 03ATEX0152 and its addendums 1 to 5, issued by INERIS, rue J. Taffanel, 60550 Verneuil-en-Halatte (France), notified body, with the number 0080.

The standard EN 60079-26:2007 is not harmonised any more. Neither the changes of the type classified as "extension" nor the changes of the type classified as "major technical changes" of the new harmonised standard EN 60079-26:2015 have, however, an impact on the conformity of the equipment.

The production facility in Lambrecht has got the quality assurance notification n° 03ATEXQ405 for the production according to annex IV and VII of directive 94/9/EC or 2014/43/EU. The approval was issued by INERIS, rue J. Taffanel, 60550 Verneuil-en-Halatte (France), notified body with the number 0080.
