

Appliance information

for use at dry disconnect couplings

Dry disconnect couplings

Father coupling with reading device, mother coupling with transponder

Dry disconnect couplings

Father coupling with reading device, mother coupling with transponder

Fitment of couplings, e.g.:

ARTA - ASK

MannTek

RS-Seliger

Stäubli

TODO-Matic

Walther

Notes

The page contains a large grid area for taking notes. On the right side of the grid, there is a faint, large-scale circular graphic consisting of several concentric, overlapping curved lines, resembling a stylized 'M' or a series of concentric arcs.
