

# Wöhler RF 220 Hygrotemp

## Technical data

|                       |                      |   |
|-----------------------|----------------------|---|
| Range                 | Relative Humidity    | 0...99 % r.H.                             |
|                       | Temperature          | -10...60 °C                               |
|                       | Dew point            | -73,4...59,9 °C                           |
|                       | Wet bulb temperature | -13,4...~ 59,9 °C                         |
| Accuracy              | Relative Humidity    | ±3 % r.H. (10...90 %) otherwise ±5 % r.H. |
|                       | Temperature          | ±0,6 °C f.m.                              |
| Storage temperature   |                      | -20...60 °C                               |
| Operating temperature |                      | 0...50 °C                                 |
| Weight                |                      | approx. 270 g                             |
